

RECOVERY & EMPOWERMENT STATEWIDE CALL

Please plan to join on September 22, 2022, for our final Recovery & Empowerment Statewide Call for 2022! Our theme this year is "Making Waves!" During this year's educational series, we are highlighting current programs that provide recovery support services in Illinois. Each call includes panel discussions with recovery leaders. All panelists are persons in recovery from mental health and/or substance use challenges who are working in a variety of programs.

Each call provides listeners the opportunity to hear directly from and be inspired by individuals in recovery. And each call highlights employment opportunities where you can put your lived experience to work. This month's focus is "CRSS Success Program in Illinois."

Please note that you don't have to be at an agency or in a group to participate. Individuals are welcome to dial in from a personal phone or from home. Remember to provide the moderator with your name, the agency you are representing (if applicable), and the number of persons listening in from your location.
